

Corporate **SPONSORS**

It is only with the ongoing support of the community that our shelter is able to provide the level of services that we currently offer. Your sponsorship will help ensure the success of this important event, raise awareness about family violence and violence against women and support your local Women's Shelter.

Walk a Mile in Her Shoes® Whitecourt is made possible by the generous support of our corporate sponsors.

Sponsors gain valuable exposure to participants, donors, volunteers and observers in the upcoming weeks and during the walk. In addition, this event provides sponsors with the opportunity to invest in the future of their community by celebrating a cause that supports the men, women & children in our area. This event is an excellent opportunity to showcase your company as an active community supporter.

We invite corporate sponsors to get involved in the 2018 Walk a Mile in Her Shoes® event

You will gain significant exposure while helping us offset the cost of producing the event — and we ensure that all funds raised by walkers go directly to support the Whitecourt Wellspring Family Resource & Crisis Centre to continue our work with men, women and children to help end violence toward women and girls, provide shelter to women and their children, and provide services to families in crisis.
